Software Engineer @ Cisco | ScoreMore  
Bengaluru

## Summary

Having completed my B.Tech in Computer Science along with a minor in Business Management from Manipal Institute of Technology, Manipal, I am currently working as a Software Engineer at Cisco (Domain of Engineering and Supply Chain).

I had a short stint at HID Global where I worked on HID® SAFE™ and completed my industrial Training in the area of Product Development for their Physical Access Control Systems (PACS).

I have worked in the capacity of the Organising Committee Vice President for AIESEC in Manipal University for their annual event "Balkalakaar" and also held the position of a Business Development Manager for the organisation.
